Hi, I'm Moon Loh. A Work from Home Mompreneur with 2 lovely daughters – Jun Ling and Jun Hui. I really enjoy working from home because it allows me to have more time with my kids whenever they need me. My passion is Internet Business and Internet Marketing. Currently I'm running few internet home businesses.

**My dreams:**

I want to earn passive income while working from the comfort of home. Get paid everyday!

I want to go holidays at least once a year with my parents and family without worrying about money!

I want to live the life I want and only do the things I love!

I want to be my own boss!

I want to give the best to my children without worrying about the money!

And many more...

**What I think about TheMillionDollarMom Home Biz:**

This is a home business that let us work together to get our dream comes true. You are not alone, we support each other and work together toward our own goals. We have mentor to guide us in this business and we have a system to make our life easier. Come join us and I'm sure you can get the life you want! This is definitely the home business you are looking for!

Hello everyone, I am Priscillia Qiu, a mother of 1 boy and 1 girl. I am a full time working mother when I started into this home business. I wish this can be the turning point where I can truly enjoy being the mother of my children, watching them grow, being with them through every milestone in their lives.

**Dreams:**

1. I hope to be able to work flexibly in the comfort of my own home, and always be there for my children whenever they need me.
2. I do not want to worry about recessions and retrenchments.
3. I want to be able to add more 'wants' in my wish-list, rather than only being able to fulfill my family's 'needs'.
4. I want to earn a lot of money so that everyone in the family can lead a comfortable life.

**What I think about this home business:**

Everyone in the team works together, not against each other. This is something rare in the society, but so endearing to know. We have training and mentoring program to help each one of us through the foundation – which always is the toughest stage. You will not regret joining us. Dare to live your dream! Come join us!

Hi, I'm Cheryl Tho.

This business lets us work together and make our dreams come true.

Hi, I'm Sherlin, a mother of 2 lovely babies, Travis and Kayla. As the economic faces downturn and goes into turmoil, managing a family seems almost impossible. With the ever increase in living standards but lesser payouts, I turn to managing my own home business that will give me the additional income and a peace of mind when I care for my babies.

**Dreams:**

To enjoy debt-free through my golden age

To see my kids through universities without worrying about financial cost

To be there for my kids in every phase they go through

**Why TheMillionDollarMom?**

If you are still wondering how to go about it getting the additional income you need, you have come to the right place, in TheMillionDollarMom, with fellow mothers equipped with the necessary expertise, you are not alone, fret not!

We will welcome you with open arms and guide you along to become a part of our team!  
Let's walk through this tough time with class and ease!

Hi everyone. My name is Vivien Yeo. I am a mother of 2 lovely children – Priscilla and Isaiah. They are 23 and 6 months old respectively. I am currently working full time and my hobbies include scrap booking, reading and holidaying (out of the country). I have an adaptable and easy going personality.

**My dreams:**

I want to earn money even while sleeping! 😊

I want to travel to exotic destinations around the world!

I want to provide financially for my family and aged parents.

I want to pursue my hobby (scrap booking) full time!

I want to be able donate generously especially to the poor and under-privileged children in this world because they deserve so much more!

I want to stop worrying about money and get out of the rat race!

I want to continue to think BIG and live my dreams!

**What I think about TheMillionDollarMom Home Biz:**

When I was first introduced to this business, it really excited me. It allowed me to earn residual income and work from home simultaneously. Furthermore, I am able to mentor and motivate others with the aim of succeeding in this business. The feeling of seeing my team members succeeding and knowing that I have made an impact in their lives is very rewarding. Another bonus was the autopilot system which I simply love. Moreover, I am assured by the ecological friendly products which can be used daily in the household without causing any detriment to one's health. Do join us if you are looking for a viable home business. We look forward to helping you succeed! If you are looking for a home business that can give you flexibility and at the same time, earn some pocket money, then join us! 😊
